EXPLANATION OF VOTE  
March 15, 2021

Pursuant to House Rule 30, I [Representative Ron Gant] am voting for this bill [House Bill No. 523] because it does not affect any right that a person may have under existing law to make an assignment of proceeds to a health care provider which are owed to that person by a third party.

For example, an accident victim may receive services from a chiropractor. Rather than paying for the services at the time the patient receives the services, the patient may sign a document assigning to the chiropractor a portion of the proceeds of any later settlement with the third party or person at fault. This statement often is paid by that third party's insurance company.

I [Representative Ron Gant] am voting for this because it is not intended to abrogate or alter any existing rights, nor to create any new rights, of the right of an accident victim to make such an assignment.

/s/ Representative Ron Gant, Sponsor of House Bill 523
